OFFICIAL PAPER OF THE CITY OF AKRON

TO TELEPHONE THE DEMOCRAT CALL
No. 180

SATURDAY, APRIL 13, 1901.

One of President McKinley's Southern admirers is going to give him an alligator, a pelican, some snakes and a complete voodoo outfit when he visits New Orleans on his way to San Francisco.

There is a deficit of \$100,000 in the commissary department of Uncle Sam's army in the Philippines. When the full extent of the plunder is known, Neely's name will not appear alone upon the roll of dishonor.

Gov. Wood has suppressed a Cuban newspaper for publishing a cartoon representing Cuba being crucified by politicians. The Governor might be just as willing to suppress some of the newspapers of the United States States if he could.

Just as was expected the plan of the City Commissioners to lift Akron out of its financial straits will be to curtail needed public improvements. But no effort will be made to reduce expenses by removing the barnacles from the pay roll of the city.

The members of the Board of Control of the Public Library can take credit to themselves for having so managed their department as to avoid a deficit in their finances. In contrast with other departments, the report of balances to the credit of the Library fund looms up like an oasis in a desert.

The attention of our readers is called to two special articles in part two of today's Democrat—one giving a very interesting narrative of the ministerial labors of Rev. Howard S. MacAyeal, who will be welcomed to the pastorate of the First Congregational church, and the other being some reminiscences of the life of the late Actor Newton Chisnell.

The Board of City Commissioners has voted to pay \$100 of the claim presented to the State by local restaurant and hotel keepers for boarding State troops for several days following the riot. The State claimed that the charge of fifty cents a meal for the soldiers was exorbitant; and reduced the allowance to 31 cents. The city will pay the difference.

SAD CEREMONY.

Many Attended the Funeral of Newton Chisnell.

Rev. T. E. Monroe officiated at the funeral of the late Newton Chisnell at the family residence, 107 Brown ave., Friday afternoon. Chief of Police John Durkin, Hon. Geo. W. Sieber, A. T. Saunders, J. D. Chandler, R. P. Bennett and J. Asa Palmer were the pall bearers. Many attended the services at the house but the services at the grave were private. Mr. Fred Chisnell, of Norfolk, Va., Miss Alice Chisnell, who is in California, and Miss Clara Chisnell, who is in Paris, brother and sisters of the deceased, were unable to be present.

WAR PICTURES.

Pleasing Feature of Entertainment—Juvenile Dancers.

The Sons and Daughters of St. George gave a very successful entertainment in Foresters' hall Friday evening. The attendance was so large

Do you doubt the veracity of Mr. James Vial of East Market st., a heavy stockholder in Hill's Sewer Pipe Co., who says Dr. Tucker cured his catarrh?

WISE and OTHERWISE

What would the world do for excitement if the Filipinos should surrender unconditionally, the Boers follow suit, the Chinese be good, Nihilists cease toying with the Czar's life, Japan become pacified, Venezuela keep quiet, Turkey accept the inevitable, Sultan of Sulu pay his Easter bonnet bill, and Czar Anderson refrain from trying to dictate Akron's municipal policies? Could they endure the calm? or would the lovers of excitement die of inanition?

England hastens to announce that American beef wasn't barred out because it was found deficient in quality. While American beef, of the War department variety, is neither irreproachable nor unapproachable, it is a relief to know that it was not discriminated against on account of its reputation.

"How often," observed the Philistine Person, "we hear people say they have no time. They have all the time there is—just as many minutes in a day as anybody else. Now, think this over carefully, and you will see how ridiculous the common expression is."

"I saw the pictures of the Mayors elected in the principal cities of Ohio," remarked the Habitual Jollier. "They were published in the Enquirer. And honestly our own Mr. Doyle was the best looking man in the lot. He is the youngest of them, too, I guess."

Another big convention Akron will entertain this year is that of Knights and Ladies of the Macabees. For the honor of entertaining this convention Akron people must give a great deal of credit to Auditor Sisler, who is high in the councils of the order.

A murder or serious misfortune without the victim's having been previously forewarned in a dream or by other unusual circumstance, is now

a great exception, if all reports are true.

Score another splendid diplomatic triumph for the Czar. He has booted the Mayor-elect off to a distant health resort, far from the "maddening" crowd of office seekers.

"Too bad, isn't it?" exclaimed the Harmless Patient.

"What's too bad?"

"That the trees should be leaving just as spring is coming."

Everything indicates that the Hon. John Crisp, City Commissioner, will be a close second in the race for re-appointment. But that's about all.

"Joseph Scherer," states a Cincinnati dispatch, "deliberately jumped to death." Therefore, Joseph is guilty of arriving at sudden conclusion.

After the Board has succeeded in increasing the tax levy, the remarks of Economic League members will be more interesting than ever.

No use for the outgoing members to hope that the old Czar and the new Mayor will not agree on appointments.

There are many people who do not live within their means who could not live without them.

Modern maxims: A bird in the hand is worth seven dollars due from over-drawn funds.

What a paradise on earth if all the pictures in the seed catalogues should come true.

Don't envy every person whose clothes are better than your own.

Easter clothes will be just as pretty if they are a week late.

It will be Mayor Doyle Monday

Clean streets next week (?)

"Greens" are ripe.

"British Spy" Thinks Himself Pursued by Irishmen.

"The Irish are after me. I am not safe anywhere," yelled Joseph Rogers who was sent to Youngstown by the Poor Authorities Friday. "I am a spy! I tell you I am a spy for the British government!"

Rogers is the man who created a sensation a fortnight ago by wandering into the City Building and praying. He

that a number of people were unable to gain admittance. An interesting feature of the affair was the display of moving pictures by Mr. William Bell. It included views of the South African war and the Royal families of Europe. Mr. Henry Kostner sang

believes he is a spy in the employ of the British government and that Irish men have sworn to take his life, accusing him of having betrayed the secrets of the Ancient Order of Hibernians to the English.

Rogers is about 30 years old. From where he came or where he belongs could not be discovered. He said he had friends in Youngstown.

several illustrated songs. Little Minnie Bell and Edna Fleming made the hit of the evening in several black face songs and dances. Miss Bell sang several other numbers. The entertainment concluded with a dance. Music was furnished by Waldvogel's orchestra.

IT GLITTERS,

But the Question Is, Is It Gold?

Mr. D. R. Coulton, residing near Lake Brady, recently discovered a vein of sand and gravel bearing strong traces of gold on his farm there. If the shining particles prove to be precious metal, he will be rich. He will have a test made.

LAKE BRADY

And Sandy Lake Changed Owners Friday.

Two well known resorts were sold Friday—Sandy lake, four miles southwest of Ravenna, sold to R. Gombert, of Uhrichville for \$10,000, and Lady Brady, widely known as a Spiritualists' camp, to S. W. Wilson, agent for a syndicate of capitalists for \$20,000.

DEATHS.

Two Occur at the Falls.

Mrs. Shumway and Miss Mary Insande.

Trying to Found a Public Library.

Telephone Companies Have Commenced a Rate War.

(Special Correspondence.)
Cuyahoga Falls, April 13.—Mrs. Eunice Shumway, wife of Councilman Dwight Shumway of 335 Third st., died this morning. Death was caused by cancer. Mrs. Shumway was aged 55 years. Funeral services will be held Tuesday. Interment in Oakwood cemetery.

Miss Mary E. Insande, daughter of Mr. and Mrs. John H. Insande, of 416 Stow st., died at the home of her parents Friday afternoon. She was aged 22 years. Rheumatism was the principal cause of death. Funeral services will be conducted Monday afternoon by Rev. E. W. Knight. Interment in Oakwood cemetery.

Citizens of the Falls have decided that the village cannot get along much longer without a library. Toward securing it, they will try to obtain \$2,000 by subscription, and hope to secure this amount within a few weeks. Two hundred and fifty dollars have been subscribed already, and 250 books donated.

Prior to the establishment of an exchange in this village by the People's Telephone Co., the Central Union Co., charged \$1.50 per month for residence phones. The People's Co., reduced the price to \$1, and now the Central Union has put the price down to 50 cents per month. Just how this rate war will terminate is a matter of speculation among the citizens.

Given Up to Die With Croup.

Mrs. P. L. Cordier of Mannington, Ky., writes: "My three year old girl had a severe case of croup, the doctor said she could not live and I gave her up to die. I went to the store and got a bottle of Foley's Honey and Tar, the first dose gave quick relief and saved her life."

FELL

From Roof to Ground—Workman Injured.

Mr. Chas. Fry, of South College st., an employee of the Kaseh Roofing Co., fell from the roof of the Wm. Shauf building on South main st., a distance of over 20 feet, Friday evening, about five o'clock. The ambulance took him to the hospital. His injuries are not believed to be of a serious nature.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have taken two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years." Anderson Riggs of Sunny Lane, Tex. Thousands have testified as did Mr. Riggs.

Attractive Women.

All women sensibly desire to be attractive. Beauty is the stamp of health because it is the outward manifestation of inner purity. A healthy woman is always attractive, bright and happy. When every drop of blood in the veins is pure a beautiful flush is on the cheek. But when the blood is impure, moroseness, bad temper and a sallow complexion tell the tale of sickness, all too plainly. And women today know there is no beauty without health. Wine of Cardui cures women with beauty and attractiveness by making strong and healthy those organs which make her a woman. Try Wine of Cardui, and in a month your friends will hardly know you.

Lafayette, Ark., Mar. 16, 1899.
I have taken Wine of Cardui and it has done wonders for me. I was so near dead when I commenced taking it that it took a great deal to cure me, but the cure is complete, and I feel as bright and gay as a sixteen year old girl.
